Research Area

Mulund Dumping ground, Chikuwadi, Mandala in Mankhurd, Govandi, Chembur, Ghatkopar and Vikroli , in Mumbai.

Mankhurd is the slum area. As per the government policy it was dark listed. Hence, there was lack of basic amenities. For years together, the slum dwellers were indulged in lots of *Morchas* and *Andolans* to BMC, Collector and local leader offices, approaching BMC, MMRDA, other government bodies, corporates, MLAs , MPs for the issues of the School , hospital , Government Bank ,electricity , water problem and slum wander problem . But it was in vain. The scenario did not change much. Government was found to be least interested in helping the people and in solving their problems. So neither politicians nor government body provided any kind of help to them

The team got the invitations to work for the NGOs, like *Apnalaya*, *CORO*, *Pragatik*, and others. Thus they got some kind of remunerations for their performances. These earnings were utilized for the study classes for the poor and needy children in the community. This program got the remarkable support from the local people as well as from the NGOs working in the same community. Though these students were young but they had lots of confidence. They upgraded their knowledge by reading books and getting information about various programs.

The trust placed in them by the local people inspired them to think about having their own organization to work in the community. This idea got the shape in September, 1997 when the group got formally registered as 'Janjagruti Vidyarthi Sangh' (JVS) under 1860 and 1950. Since then JVS is working effectively in the domains of Education, Health, Training, Community organization, Vocational training as well as Advocacy in Mumbai. Besides this, JVS also works on Right to education, Housing policy, Child Rights, 74th Amendments, Civic Issues, Right to Information, Right to Rag Pickers, and Right to Self Help Groups.)

Today, JVS's register office is in Mankhurd. Its working committee comprises of 11 members, all belonging to the same community. JVS functions in association with *Apni Mumbai*, *Ghar Banavo Ghar Bachao Andolan*, *NAPM*, *Shahar Vikas Manch*, *Bandhakamagar Majdoor Sanghatan*, *Mahanagar Palika Prabhaag Sameeti*, *Ratining Kruti Sameeti*, *Bal Haq Sameeti*.
